Siesta Brand Product Warranties

This warranty covers all Siesta products including Contract Collection, Rattan Collection, and Garden Collection.

Siesta as a global furniture manufacturer uses the best materials and performs thorough control of all its manufacturing processes in order to provide its customers with the best quality. Under normal conditions of use and maintenance, Siesta provides all its furniture with a residential use warranty of 1 year in the U.S.A against any manufacture defect. Manufacture defect doesn't include product abuse, misuse, neglect and pollution damage. For the use of our products in non-domestic situations such as in hotels or the commercial market and in communities, the commercial use warranty is 1 year as well, in accordance with the conditions previously stated. In the event of claim, contact support at siestausa.com or Compamia directly to start the claim process. If, after inspection of the product, it should be determined that there is a manufacturing defect, Siesta will decide whether it will repair or change the product.

Siesta and Compamia reserve the rights to cancel or modify any product, material, color or other item in its collections without prior notice.
