

Warranty -
Two year parts and one year labor Doyon/NU-VU limited warranty *(Continental United States of America and Canada only)*

This Doyon/NU-VU warranty applies to all equipment that has been unaltered, properly installed and maintained in accordance with the Doyon/NU-VU installation manuals.

Doyon/NU-VU products are warranted to the original purchaser to be free from defects in material and workmanship for a period of two years from the date of original installation. This warranty does not apply to equipment damaged, abused or altered accidentally or intentionally or modified by unqualified service personnel or with missing or altered serial nameplates. In order to be warranted, the equipment from the original buyer must have been purchased through a reseller from the same country.

Doyon/NU-VU agrees to repair or replace defective parts due to flaws in material or workmanship during the warranty period. Labor to repair or replace defective parts shall be warranted when performed by an authorized Doyon/NU-VU service agency. Travel over 50 miles, holiday or overtime labor charges are not covered.

Proper installation, initial inspection, or normal maintenance such as lubrication, adjustment or calibration is the responsibility of the dealer, owner-user or installing contractor and is not covered by this warranty.

International Orders: Any orders shipping outside the United States or Canada will be subject to a 5% Warranty Administration Fee added to the invoice. These orders may also be subject to other charges including utility configuration and/or CE approval fees. Please contact Doyon & NU-VU for specific details.
