Dear valued customers and industry partners,

We are excited to announce that INFRICO USA has recently upgraded our official warranty program to better serve our customers and the industry as a whole. This new upgrade represents our commitment to providing high-quality products and top-notch service to our customers.

As part of this new program, we have made significant improvements to our warranty policy. Our goal is to make the warranty claim process hassle-free, so our customers can get back to business with minimal disruption.

We would like to take this opportunity to thank our customers and industry partners for their continued support and feedback, which has been instrumental in driving this upgrade. We remain committed to delivering exceptional products and services and are confident that this new upgrade will help us achieve that goal.

Please feel free to contact us if you have any questions or comments about our new official warranty program. We look forward to serving you better in the future.
