

For U.S. Only:
Limited warranty, Limitations and Warning

iSi products are thoroughly tested before they leave the factory, and iSi warrants for a period of two years that its products are free from defects in materials and workmanship and, if used only with other iSi products, will function as intended. iSi's liability in the event of a product's failure to meet this warranty is limited to repair or replacement of the product or, at iSi's option or if iSi is unable to deliver a replacement product, to refund the purchase price. In no event, however, shall iSi be liable for incidental or consequential damages. Any implied warranties are limited to the terms of the express warranties, including the two-year duration. iSi cream whipping systems, bottles and chargers are designed and engineered to function together as a system and involve gas under pressure. All iSi products and parts bear the iSi logo; iSi recommends that only iSi parts and products be used with iSi products, including that only iSi chargers be used with iSi Whippers/ Siphons and that iSi chargers be used only in iSi Whippers/ Siphons. Failure to follow this recommendation or any failure to follow the instructions for use and care of the products invalidates this warranty and all implied warranties in their entirety as to any consequences of such failure.

WARNING: In addition, failure to follow this recommendation or any of the instructions for use and care constitutes misuse of iSi products and could result in malfunction of the system and possible personal injury and/or property damage. In the event of any personal injury, you should promptly seek appropriate medical attention.

This Limited Warranty gives you specific legal rights and you also may have other rights which vary from state to state. Some states do not allow limitations on the duration of an implied warranty and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
