STANDARDS & TESTING

- Passes DOC-FFI-70 for the surface flammability of carpets
- Certified high-traction by the National Floor Safety Institute (NFSI)

Cleaning Instructions

Waterhog Max Tiles can be cleaned using the following instructions:

- Vacuum regularly (daily in high-traffic commercial areas; weekly in lower-traffic areas)
- Extract or hose off as needed to remove heavy soil/debris
- Hang mat to dry

Always make sure the mat is dry before placing it back in service.
