

# Our Mission: To be of service to people and the planet

**WORLD  
CENTRIC**  
FOR A BETTER WORLD

World Centric is proud to offer over 350 plant-based compostable foodservice items made from sustainable materials including sugarcane, bamboo, wheat straw and corn. Commercial composting is key to tackling climate change and using compostable foodservice items makes it easier to divert food waste to the compost bin instead of the landfill.

**NoTree® Cups & Bowls**

**Takeout Containers**

**Fiber Clamshells**

**Plant Based Cutlery**

Through the sale of our compostable products, we annually donate 25% of profits to grassroots social and environmental organizations and to account for our carbon emissions from raw material to delivery.

Below are a few of our partner organizations and our total giving numbers since the program's inception in 2009:

**\$8,419,139**  
Impact Giving

**\$4,047,886**  
Carbon Mitigation

**\$1,218,117**
