

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

SECTION 1: Identification

GHS Product identifier

Product name Safer Brand Home Indoor Pest Control Multi-Insect Killer

Product number SH110

Recommended use of the chemical and restrictions on use:

Insecticide - Crawling Bug - Non-Aerosol

Supplier's details

Name Safer Inc. (AWOS of Woodstream Corporation)
Address 69 North Locust Street
Lititz PA 17543
USA

Telephone 717-740-4600 x1219
Fax 717-762-1912
email kstyler@woodstream.com

Emergency phone number

1-888-740-8712

SECTION 2: Hazard identification

General hazard statement

EMERGENCY OVERVIEW: Clear liquid with herbaceous odor. 25B Minimum risk pesticide in accordance with FIFRA 40 CFR 152.25(f). Not anticipated to cause immediate acute effects upon short-term exposure.

OSHA HCS CLASSIFICATION (29 CFR 1910.1200): This product does not meet the regulatory definition of a hazardous chemical under 29 CFR 1910.1200. However, good industrial hygiene practices should be used in the manufacture and handling of this product.

Classification of the substance or mixture

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

Other hazards which do not result in classification

Signal Word: CAUTION (FIFRA label signal word)

Hazard Statement: None required.

Precautionary Statements(s):

Prevention: No statement required.

Response: No statement required.

Storage: No statement required.

Disposal: No statement required.

SECTION 3: Composition/information on ingredients

Mixtures

The product contains no substances which at their given concentration, are considered to be hazardous.

Clove Oil – 0.05%

Cottonseed Oil – 0.05%

Trade secret statement (OSHA 1910.1200(i))

*The specific chemical identities and/or actual concentrations or actual concentration ranges for one or more listed components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

SECTION 4: First-aid measures

Description of necessary first-aid measures

General advice	See the pesticide product label for First Aid requirements
If inhaled	Move person to fresh air.
In case of skin contact	Wash skin thoroughly with soap and water. Wash contaminated clothing before reuse. If irritation persists, call a physician for treatment advice.
In case of eye contact	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. If irritation persists, call a physician for treatment advice.
If swallowed	Rinse mouth out with water. Do not induce vomiting. Call a physician for treatment advice.
Personal protective equipment for first-aid responders	See product label

SECTION 5: Fire-fighting measures

Suitable extinguishing media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Specific hazards arising from the chemical

Large fires: use of water spray when fighting fire may be inefficient.

Carbon oxides

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

Special protective actions for fire-fighters

Evacuate area and fight fire upwind from a safe distance. Use personal protective equipment.

SECTION 6: Accidental release measures

Personal precautions, protective equipment, and emergency procedures

Users of a pesticide product must refer to the product label for personal protective equipment requirements.

Methods and materials for containment and cleaning up

Containment: Prevent further leakage or spillage if safe to do so.

Cleaning Up: Pick up and transfer to properly labeled containers.

SECTION 7: Handling and storage

Precautions for safe handling

Handle in accordance with good industrial hygiene and safety practices. Handle and open container in a manner as to prevent spillage. Do not eat, drink, or smoke while handling this product.

Conditions for safe storage, including any incompatibilities

See pesticide label for full information on product storage. Do not contaminate water, food, or feed by storage of this product. Store away from sources of heat, out of direct sunlight and away from incompatible materials. Pesticides should always be stored in secured areas away from children and animals.

SECTION 8: Exposure controls/personal protection

Appropriate engineering controls

This product, when used in accordance with label directions, has minimal risks. The following is intended for manufacturers and distributors:

Showers
Eyewash stations
Ventilation systems.

Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection

Tight sealing safety goggles

Skin protection

Wear waterproof gloves

Body protection

Wear suitable protective clothing.

Respiratory protection

No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

SECTION 9: Physical and chemical properties and safety characteristics

Basic physical and chemical properties

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

Physical state	Liquid
Appearance	Clear liquid
Color	Clear
Odor	Herbaceous
Odor threshold	No data available
Melting point/freezing point	No data available
Boiling point or initial boiling point and boiling range	No data available
Flammability	No data available
Lower and upper explosion limit/flammability limit	No data available
Flash point	No data available
Auto-ignition temperature	No data available
Decomposition temperature	No data available
pH	7
Kinematic viscosity	No data available
Solubility	No data available
Partition coefficient n-octanol/water (log value)	No data available
Vapor pressure	No data available
Evaporation rate	No data available
Density and/or relative density	No data available
Relative vapor density	1

Particle characteristics

No data available

Further safety characteristics (supplemental)

Explosive properties: No information available

SECTION 10: Stability and reactivity

Reactivity

No information available.

Chemical stability

Stable under normal conditions.

Possibility of hazardous reactions

None under normal processing.

Conditions to avoid

None known based on information supplied.

Incompatible materials

Oxidizing agents.

Hazardous decomposition products

Carbon oxides.

SECTION 11: Toxicological information

Information on toxicological effects

Acute toxicity

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

None known at the concentrations in the mixture.

Skin corrosion/irritation

Specific test data for the mixture is not available. May cause irritation (based on components). Repeated or prolonged skin contact may cause allergic reactions in susceptible persons.

Serious eye damage/irritation

Specific test data for the mixture is not available. Irritating to eyes (based on components).

Respiratory or skin sensitization

Specific test data for the mixture is not available. May cause sensitization by skin contact (based on components).

Germ cell mutagenicity

No information available.

Carcinogenicity

No information available.

Reproductive toxicity

No information available.

STOT-single exposure

No information available.

STOT-repeated exposure

No information available.

Aspiration hazard

No information available.

SECTION 12: Ecological information

Toxicity

None expected given the concentration of components.

Other adverse effects

None expected given the concentration of components.

SECTION 13: Disposal considerations

Disposal methods

Product disposal

Refer to the label for full information on disposal.

Packaging disposal

Refer to the label for full information on disposal. Do not reuse empty containers.

SECTION 14: Transport information

DOT (US)

Not dangerous goods

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

IMDG

Not dangerous goods

IATA

Not dangerous goods

SECTION 15: Regulatory information

Safety, health, and environmental regulations specific for the product in question

Toxic Substances Control Act (TSCA) Inventory

Contact supplier for inventory compliance status

Canadian Domestic Substances List (DSL)

Contact supplier for inventory compliance status

Canadian Non-Domestic Substances List (NDSL)

Contact supplier for inventory compliance status

Japanese Existing and New Chemical Substances (ENCS)

Contact supplier for inventory compliance status

Korean Existing Chemicals List (KECL)

Contact supplier for inventory compliance status

Philippine Inventory of Chemicals and Chemical Substances (PICCS)

Contact supplier for inventory compliance status

Australian Inventory of Chemical Substances (AICS)

Contact supplier for inventory compliance status

SARA 313 Components

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

SARA 311/312 Hazards

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

Clean Water Act

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355).

Safety Data Sheet

Safer Brand Home Indoor Pest Control Multi-Insect Killer

California Prop. 65 Components

This product does not contain any Proposition 65 chemicals.

New Jersey Right to Know Components

Massachusetts Right to Know Components

Pennsylvania Right to Know Components

Rhode Island Right to Know Components

SECTION 16: Other information

Version 1.0

Further information/disclaimer

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information, and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal, and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text
