

4L compost caddy, matte black steel

product features

composting made simpler: Our compost caddy conveniently docks on the side of simplehuman trash cans encouraging you to separate organics from trash, making waste management even more efficient.

not magic, magnetic: Magnetic docking system not only secures the caddy firmly in place, it also holds the lid open for convenient scraping and peeling.

food-prep friendly: Compost caddy easily detaches from its magnetic dock for use at the kitchen counter during food prep and clean up.

keeps odors in, pests out: Soft-seal lid allows organics to breathe, keeping odors like banana peels under control and pests like fruit flies away.

simple to empty, easy to clean: Detachable lid and a smooth inner bucket are designed for efficient removal, dumping, and rinsing.

made for earth: Our code Z compostable custom fit liners fit our compost caddy perfectly with no ugly overhang, and are certified compostable so you can throw them out and they will decompose completely.
