

55L rectangular step can with liner pocket, white steel

product features

streamlining the task: Our unique liner rim system is a faster, neater way to trash! The outer lid lifts up for easy access to the liner — no need to remove the top of the can or fumble with a clumsy bucket. When you're done, it closes over the liner to k

keep liners where you need them: Our liner pocket makes it easy to store a 20 pack of custom fit liners inside the can so you never have to search for them.

dispenses liners inside the can: Our liner pocket dispenses liners one by one quickly and easily for a faster liner change.

look ... no bucket: The liner rim holds the liner in place, so there is no longer a need for an inner bucket. Old-fashioned buckets are clumsy, awkward and a big waste of space inside the can — now there's 25% more room for trash! The interior is designed

I'm the strong, silent type: Our strong steel pedal is engineered to last over 150,000 steps — that's more than 20 steps a day for 20 years — and our patented lid shox technology controls the motion of the lid for a slow, silent close.

pod in, odors out: Now including our all-natural odorsorb pod that fits discreetly under the lid of your simplehuman can to eliminate trash odors for 45 days.
