

VACMASTER®

STORAGE CANISTERS

1/2 QUART & 2 1/2 QUART

 *Total Freshness System™*

Our **VacMaster® Canisters** are perfect for food storage, keeping foods fresh up to five times longer. Their durable design and graduation marks makes it perfect for portion control and table-ready dishes. Plus, they are stackable, making storage a snap and the “Lock” and “Vacuum” features ensures a secure and dependable seal. VacMaster® Canisters are microwave, dishwasher and refrigerator safe making it incredibly convenient, easy to use and ideal to move, store or place on the counter top for easy access.

Features:

- Stackable for easy storage
- “Lock” and “Vacuum” lid features ensures an air tight seal
- Keeps food fresher, longer
- Perfect for marinating and storing soups and stews
- Ideal for fragile and crushable items
- Graduated measuring markers and two sizes for better portion control
- Seals out moisture and air

* Canister Lid must be hand washed.

* Vacuum packaging is not a substitute for canning.
