Elevate Your Green Game with Our 2 - 3 oz. Hanging Herb &

**Microgreen Package:** Unveil the perfect blend of freshness , visibility , and eco-consciousness designed especially for businesses that value sustainability and premium presentation . Our plant -based herb and microgreen packaging is a statement of your commitment to environmental responsibility and high-quality product preservation .

Why We Love It:

**Crystal-Clear Transparency:** Showcase your herbs and microgreens in our transparent packaging that offers customers a preview of the quality inside . This visual focus enhances your product's appeal and invites customers to experience the beauty of your greens in their full glory .

**Uncompromised Freshness:** With our interlocking perimeter seal , be confident that your little fellas are kept in their peak condition . This secure closure guards against contaminants and preserves the crisp, fresh taste from farm to table , letting your customers enjoy for multiple meals .

**Robust and Retail-Ready:** Our packaging is designed with durability in mind , ensuring that even the most tender herbs arrive in pristine condition . The crush-resistant structure and ample space for up to 3 oz of produce make it a reliable choice for transportation and display . Plus, the innovative split hanger feature allows for versatile merchandising , enabling easy hanging and removal on peg hooks to enhance product visibility and accessibility .

**Sustainable and Stylish:** Choose packaging that aligns with your brand's eco-conscious values . Made from renewable resources and no nasty chemicals , our plant -based packaging delivers a sustainable solution that resonates with today’s consumers and their commitment to caring for the environment .

**You Can Choose Freshness AND Sustainability :** With our herb and microgreen packaging , you’ll be set to preserve the quality and freshness of your greens and also embrace a packaging choice that’s made with the planet in mind . Ready to get “growing ”? Let us help you with your “thymeless ” commitment to sustainability and freshness . Ø=BD
