Sheet Pan Rack Cover

Shown on a 1331 Heavy Duty Sheet Pan Rack.

Reduce cross-contamination and maintain product freshness with the 1359 Pan Rack Cover. Slides easily over the rack providing visibility and protection. Three full length zippers for use with End and Side-Loading Racks. Cover creates a protective barrier that shields food from bugs, splatter, and dust. Made of 12 mil PVC transparent vinyl with double-stitched nylon trim. Contents can be accessed by unzipping the cover and reaching inside.

- Three full zippers for use with end and side-loading racks.
- 12 mil. PVC clear vinyl allows for product visibility and is freezer and cooler safe.
- Double-stitched nylon trim binds each panel.
- Made in the USA.
- Cover is excluded from New Age Guarantees.
