---

**Product SKU:** TCST23

The Suncast Commercial® Step-On Trash Can is a smart solution for your waste management needs. This can features a foot pedal on the front of the can that allows for an easy and quick way to dispose of trash into the can. Engineered with high-quality resin, this trash can will not rust and is resistant to denting and bending and is easy to clean and disinfect. With a 23-gallon capacity and hands-free operation, this trash can is ideal for busy environments that demand efficiency and hygiene. This step-on trash can is designed to meet the demands of everyday use, where a quick disposal is needed!

**Features:**

- Resin construction will not rust and is resistant to denting and bending
- Step-on pedal for effortless hands-free operation
- Bag cinch to hold the bag in place
- Low maintenance – easy to clean and disinfect
- Designed to be used with 30-33 gallon trash bags
- Made in the USA
