GENERAL DESCRIPTION

GLAMOROSO is a medium-duty, liquid cleaner. A unique blend of wetting and emulsifying agents give GLAMOROSO its superior ability to penetrate even the toughest soils. Once the bond is broken, soil is held in suspension – no redepositing. Rinsing is complete, leaving a surface that is free from residue. GLAMOROSO lifts greases and oils from hard surfaces such as concrete, paint composition floors, extension equipment surfaces, walls, etc. GLAMOROSO is safe for all surfaces that are not harmed by water.
