GENERAL DESCRIPTION

ABSORB is a concentrated premium natural absorbent granular containing a specific blend of odor neutralizers, natural botanicals and emulsifying agents. ABSORB is effective against waste related odors, typically derivatives of sulfur and ammonia. ABSORB not only aids in containing spills and absorbing liquid, it also contains a highly effective odor neutralization system to address this class of odors and convert them into odor free, stable, non-harmful compounds. ABSORB is naturally formulated, safe, effective and biodegradable. There is virtually no risk to aquatic life when wastewater treatment is handled safely and effectively.

PHYSICAL PROPERTIES:

Chemical Composition. Neutrally charged surfactants, cellulosic fibers
Appearance Powder
pH of 1% solution 8.6
Penetration Immediate
Stability 1 Year @ Ambient Temperature
Wetting Ability. Excellent
Biodegradable Yes
Foam Moderate
Rinsing Complete
Odor Pleasant

PACKAGING

6/2 lb. plastic jugs - net weight 12 lbs.

DIRECTION FOR USE:

ABSORB is a free flowing granule that is easily applied to any surface. It is safe and convenient and requires no additional equipment to obtain odor control. Apply ABSORB liberally to the surface of the spill. Allow the granules to soak up all of the liquid. Once all moisture has been absorbed, sweep up and dispose of used ABSORB. A shovel or wet/dry vacuum can also be used.

WARNING

KEEP OUT OF REACH OF CHILDREN.

CAUTION

MAY BE HARMFUL IF SWALLOWED. CONTACT WITH SKIN AND EYES MAY CAUSE IRRITATION.

FIRST AID:

EYES: Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately.
EXTERNAL: If on skin, wash with plenty of soap and water. If irritation occurs, get medical attention. **INGESTION:** Harmful if swallowed. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.
