GENERAL DESCRIPTION:

ARCTIC READY-TO-USE is a fast, versatile, effective cleaner for ice machines and food processing operations. ARCTIC READY-TO-USE is a unique combination of synthetic detergent and inorganic acid. Nickel-safe, it rapidly penetrates and removes mineral deposits and hard water films. It cleans and brightens metals quickly and easily, saving time, work and manpower. Recommended for use on stainless steel, ARCTIC READY-TO-USE is formulated for multiple cleaning operations. It can be used for manually cleaning such process equipment as ice machines and bins, stainless steel table tops, counters, food preparation equipment, tanks and piping.

DO NOT mix with bleach, chlorinated cleaners or anything except water.

PHYSICAL PROPERTIES:

Chemical composition Soil suspending agents, anti-redosition agents, inorganic acid compounds, wetting agents

pH 1.7

pH of 1% solution 2.2

Specific Gravity 1.0 (8.34 pounds per gallon)

Solubility Complete and fast

Rinsing Complete

Viscosity Like water

Foam High

Wetting Ability Excellent

Inorganic Acids >50%

Stability 1 Year @ Ambient Temperatures

PACKAGING:

4 x 1 gal. container, net wt. 32 lb., gross wt. 36 lb.

INSTRUCTIONS FOR USE:

Brush Cleaning: Use 4 fl. oz. of ARCTIC READY-TO-USE per gallon of water (8ml/L). Brush until clean and then rinse thoroughly with potable water.

Soak Cleaning: (Stainless steel utensils and other small items.) Use 4 fl. oz. of ARCTIC READY-TO-USE per gallon of water. Soak for ten minutes. Brush if necessary. Rinse thoroughly with potable water.

Hard Water Film Remover: Apply ARCTIC READY-TO-USE at 8-16 fl. oz. per gallon of water. Brush until clean. After 10 minutes, or when the surface is clean, flush with potable water.

Ice Machines: To clean the ice machine, add 8 oz. of Noble Chemical ARCTIC READY-TO-USE Ice Machine Cleaner per 1 gallon of water and let circulate for 10 minutes. Brush on all surfaces as needed. Fill reservoir and rinse all surfaces with fresh water. Allow fresh water to circulate for 2 minutes to flush.

Food Service Equipment: Follow use directions of technical service representative.

WARNING:

KEEP OUT OF REACH OF CHILDREN.

CAUSES SEVERE SKIN BURNS AND EYE DAMAGE.

HARMFUL IF SWALLOWED.

FIRST AID:

EYES: Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. **SKIN:** If on skin, take off all contaminated clothing immediately. Rinse skin with water/shower. Wash contaminated clothing before reuse. **INGESTION:** If ingested, drink large amounts of milk, milk of magnesia, or gelatin. If those are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.
