GENERAL DESCRIPTION

DETERGENT II is a concentrated detergent containing soil suspending agents to totally clean laundry when used in conjunction with other laundry products. Excellent soil suspension assures a high level of whiteness retention. DETERGENT II easily emulsifies greasy soils and is effective with all natural and synthetic fabrics.

PHYSICAL PROPERTIES:

Chemical composition Soil suspending and rinsing agents; neutrally charged surfactants for effective hard water washing.

Appearance	Blue liquid
pH	7.5
pH of 1% solution	7.2
Specific Gravity	1.013 (8.5 pounds per gallon)
Wetting ability	Excellent
Penetration	Immediate
Odor	Pleasant
Rinsing	Complete
Foam	Moderate
Biodegradable	Yes, all surfactants
Stability	1 Year @ Ambient

PACKAGING

5 gal plastic pail - 43 lbs. net / 46 lbs. gross

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

INSTRUCTIONS FOR USE:

DETERGENT II is specially formulated to be used with automated injector systems and can be dispensed directly from the shipping container, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal soils, use 8 to 12 ounces per hundred pounds of work. DETERGENT II is completely soluble at all normal water temperatures. For optimum soil release, use in hot (140°F to 160°F) water. Effective soil removal at the concentrations and temperature given may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer or repeat cycle may be necessary.

WARNING

KEEP OUT OF REACH OF CHILDREN.

CAUTION

MAY BE HARMFUL IF SWALLOWED. CONTACT WITH SKIN AND EYES MAY CAUSE SEVERE IRRITATION. PROTECT SKIN, EYES AND MUCOUS MEMBRANES FROM CONTACT WITH THIS PRODUCT AND ITS SOLUTIONS. USE ONLY AS DIRECTED.

FIRST AID:

EYES: Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. **EXTERNAL:** If on skin, wash with plenty of soap and water. If irritation occurs, get medical attention. **INGESTION:** Harmful if swallowed. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.
