Drain & Grease Trap Cleaner & Maintainer

FEATURES & BENEFITS

- Contains a blend of microbial species that break down grease and short and long-chain fatty acids that are the root cause in clogging drain lines and grease traps
- 700 billion CFU per gallon bacteria count. 3.5x the industry standard CFU per gallon giving better long-term performance
- Our proprietary nutrient package greatly reduces the production of hydrogen sulfide odors and other foul odors that are commonly associated with anaerobic environments
- Strict quality control and quality assurance guaranteeing high cell counts and stable formula
- EDM+ Ultra Enzymatic Drain Maintainer has demonstrated visible reductions in grease, drastic cut-down on the pumping of traps, and most notably a decrease in odors
- Won't damage the pipes or traps
- Neutral formula that doesn't contain caustics or acids; safer for the end user
- Can be used for municipal waste water treatment plants and collection systems

PACKAGING

#147ENZDRAIN1G..... 4 x 1 Gallon Bottles / Case
#147ENZDRAINQT..... 12 x 32 Ounce Bottles / Case

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

PHYSICAL PROPERTIES

Bacteria Count..... 700 Billion CFU per Gallon
Color Blue
Fragrance Ocean Breeze
pH 7.0-8.0
Temperature Range 60°F to 90°F
Shelf Life 2 Years

DIRECTIONS FOR USE

Shake before use. Start using EDM+ Ultra Enzymatic Drain Maintainer after grease trap has been pumped. Pour a minimum of one gallon directly in the trap to start treatment.

MAINTENANCE DOSING 50 - 100 gal. grease trap capacity: 20 - 25 oz. daily, 100 - 250 gal. grease trap capacity: 25 - 30 oz. daily, 250 - 500 gal. grease trap capacity: 30 - 35 oz. daily. **DRAIN LINES** Slow Flowing Drains: Shock with 4 oz. daily for the first five days then 2 - 4 oz. daily. **DRAIN MAINTENANCE** Dose during low periods of use; shock 4 oz. a week. **FLOOR DRAINS** Shock with 4 oz. per drain weekly.
