**Cleans Deep into Grooves and Crevices
to Brighten and Shine Metal Surfaces**

GENERAL DESCRIPTION:

GRIDDLE KLEEN CLEANSER POLISH POWDER is a dry stainless steel polish that brings back the original shine to your griddle or fryer. GRIDDLE KLEEN CLEANSER POLISH POWDER cleans small grooves and crevices on the surface to lift grease, soil and other debris that dull the appearance and luster of the surface. This non-corrosive, soap and detergent free cleanser effectively cleans and polishes without contaminating food or cooking oil when used as directed.

DIRECTIONS:

For Griddles:

Pre-clean griddle using Noble Chemical Griddle Kleen or Griddle Kleen Chrome prior to using this product. Use as directed. Lightly sprinkle GRIDDLE KLEEN CLEANSER POLISH POWDER on surface or on a dry cloth. Clean in the direction of the grain, never across. Wipe away any remaining residue with a dry cloth. Rinse surface thoroughly with clean water.

For Fryers:

Lightly sprinkle GRIDDLE KLEEN CLEANSER POLISH POWDER on a damp cloth and wipe surfaces clean. Rinse surface thoroughly with clean water. Use daily with Noble Chemical Fryclone Boil-Out Fryer Cleaner to increase the life of your fryer.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

PROPERTIES:

Chemical Composition Calcium Carbonate
 Appearance White Powder
 Solubility Slight
