GENERAL DESCRIPTION

LAUNDRY BLOCK is a concentrated solid laundry detergent containing a specific blend of soil emulsifying agents. LAUNDRY BLOCK is formulated with optical brighteners which provide superior results on all washable fabrics and is safe for synthetic and natural fibers. LAUNDRY BLOCK removes stubborn soil and keeps it in suspension, preventing redistribution on fabric. LAUNDRY BLOCK rinses quickly and completely, does not contain harsh alkalis, and is effective in all water hardness conditions and temperatures. LAUNDRY BLOCK is biodegradable.

PHYSICAL PROPERTIES:

Chemical Composition . . . Builders, soil suspending agents mineral sequestering agents for hard water conditioning; neutrally charged surfactants for effective hard water washing.

Appearance Blue Solid
 pH of 4% solution 12.0
 Penetration Immediate
 Stability 1 Year @ Ambient Temperature
 Wetting Ability Excellent
 Biodegradable Yes
 Foam Moderate
 Rinsing Complete
 Odor Pleasant

PACKAGING

4 x 5lb. Capsules/Case - 20 lbs. Net Weight

DIRECTIONS FOR USE:

LAUNDRY BLOCK solid laundry detergent is specially formulated to be used with automated injector systems. LAUNDRY BLOCK can be dispensed directly from the shipping container, thereby eliminating hand feeding from powder hoppers and possible spillage. LAUNDRY BLOCK is completely soluble in all normal water temperatures. For optimum soil release, use in hot (140°F) water for removing normal soils. Effective soil removal, at the concentrations and temperatures given, may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer or repeat cycle may be necessary. Use only in solid bowl type dispensers.

WARNING

KEEP OUT OF REACH OF CHILDREN.

CAUTION

MAY BE HARMFUL IF SWALLOWED.

**ALKALINE SOLID. CONTACT WITH SKIN AND EYES
 MAY CAUSE SEVERE IRRITATION.**

FIRST AID:

EYES: Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately.
EXTERNAL: If on skin, wash with plenty of soap and water.
INGESTION: If irritation occurs, get medical attention. Harmful if swallowed. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.
