# Orange Peel

## Citrus Solvent Cleaner

### GENERAL DESCRIPTION

ORANGE PEEL is a fast acting butyl and d'limonene based cleaner and degreaser for removal of spots, stains and soil buildups. ORANGE PEEL works miracles on heavily soiled kitchen floors and quarry tile floors. ORANGE PEEL is also an excellent grout cleaner when used with a scrub brush. ORANGE PEEL has a pleasant fragrance, and it is excellent for general cleaning applications including engines, white wall tires, ceramics, Formica, grease traps, dumpsters, and all hard surfaces not affected by water.

Wetting Ability ..... Good  
Free Caustic ..... None  
Foam.....Low to Moderate  
Rinsing.....Complete  
Solubility ..... Complete and Fast  
Emulsification ..... Rapid  
Odor.....Strong Citrus

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

### PACKAGING

4 x 1 Gallon Plastic Bottles - 34 lbs. Net / 38 lbs. Gross  
5 Gallon Plastic Pails - 44 lbs. Net / 47 lbs. Gross

### INSTRUCTIONS FOR USE:

**FOR GENERAL CLEANING AND DEODORIZING:** Dilute 2-4 oz. of concentrate per gallon of warm water. Mop, spray or sponge onto area to be cleaned and allow treated area to stand for a few moments. Wipe clean with a clean cloth or sponge or rinse with clean water.

**FOR GRAFFITI, MACHINERY, AND HEAVY INDUSTRIAL SOILS:** Dilute 6 oz. of concentrate per gallon of warm water. Mop, spray or sponge onto surface and allow to stand for at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

**FOR CARPETS, RUGS, UPHOLSTERY AND FABRIC:** Dilute 6 oz. of concentrate per gallon of warm water. Apply with a sprayer or clean cloth. Do not over wet. Gently work out soil. Blot dry with a clean cloth.

**FOR GREASE TRAPS:** Add 8 oz. of concentrate weekly to all drain openings and allow to stand for at least 10 minutes before flushing.

**NOTE:** Pretest on all plastic, fabric, and carpet surfaces prior to use.

### WARNING

**KEEP OUT OF REACH OF CHILDREN.**

### CAUTION

**MAY BE HARMFUL IF SWALLOWED. CONTACT WITH SKIN AND EYES MAY CAUSE SEVERE IRRITATION.**

### FIRST AID:

**EYES:** Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. **EXTERNAL:** If on skin, wash with plenty of soap and water. If irritation occurs, get medical attention. **INGESTION:** Harmful if swallowed. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.
