### PACKAGING

147POTPAN5G: (1) 5 gal. (640 oz.) Plastic Container - 45.6 lb. gross

### INSTRUCTIONS FOR USE

1. Always put detergent in sink first and permit water to flow on it.
2. Use 1 oz. of detergent to 7 gallons of water.
3. When using suds control dispenser, 1 squirt from dispenser equals 1 oz. of detergent.
4. For heavily soiled pots and pans, use more detergent as needed. Approximate use dilution of 1/8 oz. per gallon. Increase concentration as soil load is increased or until desired foam is reached in sink.

### HANDLING PRECAUTIONS

**CAUTION**  
KEEP OUT OF REACH OF CHILDREN.  
MAY BE HARMFUL IF SWALLOWED.

### WARNING HAZARD STATEMENTS

- Causes serious eye irritation

### PRECAUTIONARY STATEMENTS

**PREVENTION:** Wash thoroughly after handling. Wear eye/face protection. **EYES:** If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention. **INHALATION:** Supply fresh air; consult doctor in case of complaints. **EXTERNAL:** Generally, the product does not irritate the skin. **INGESTION:** If symptoms persist consult doctor.
