

POWER GREEN

POWER GREEN solid machine dishwashing detergent is a totally new, biodegradable and environmentally friendly product. It is phosphate free and all water conditioners and other components are readily biodegradable in compliance with EU and DFE standards.

POWER GREEN is formulated in accord with the very demanding DfE standards for safe use and handling along with the most favorable environmental properties.

POWER GREEN requires no hazardous labeling and its formulation is extremely safe to use and handle. It is metal safe and provides clean dishes and sparkling glasses with total safety at normal warewashing concentrations.

POWER GREEN can be used in any heavy duty commercial dishwashing application for all types of china, tableware, and glassware.

PHYSICAL PROPERTIES:
