GENERAL DESCRIPTION:

Concentrated bowl cleaner in pre-portioned, water-soluble packets. BOWL CLEANER removes tough stains without harming your plumbing. Ideal for daily cleaning or routine maintenance. BOWL CLEANER is the professional strength toilet bowl cleaner that you've been waiting for. BOWL CLEANER easily destroys stubborn stains built by soils, lime scale, and urinary salts. But that's not all. BOWL CLEANER is an environmentally responsible product. Its concentrated detergent contains a readily biodegradable surfactant system and is free of phenolic compounds. It is premeasured and packaged in a 100% biodegradable water soluble film. The packets dissolve completely in water, reducing package waste and leaving you with solution ready for cleaning. Just drop one water soluble packet of BOWL CLEANER into the toilet bowl. The concentrated powdered detergent will break down and remove soils, lime scale, and urinary salts with its foaming action.

DIRECTIONS:

Select proper dilution strength:
 Flush bowl before cleaning. Add one packet of BOWL CLEANER to the toilet bowl. Foam will appear within seconds. When foam covers water surface, swab bowl inside and out, especially under the rim. Let toilet stand as long as is practical before flushing.

CAUTION: Do not remove packets from container until just before use. Do not handle packets with wet hands. Reseal container after removing packets. Store in a cool, dry place. Humidity and water will destroy the packet integrity. Keep from freezing. Do not mix with any other cleaning products.

INGREDIENTS:

The active ingredients in BOWL CLEANER are alcohol ethoxylates, citric acid, and sodium bicarbonate.

CHEMICAL CHARACTERISTICS:

Appearance.....	Blue Packets
Biodegradable.....	Yes
Corrosive Category (Concentration).....	No
Corrosive Category (Use Dilution).....	No
DEA-Free.....	Yes
Fragrance.....	Baby Powder
Non-Acid.....	Yes
Non-Butyl.....	Yes
Non-Flammable.....	Yes
NPE-Free.....	Yes
NSF Certified.....	C2
pH (Use Dilution).....	6.5-7.5
Phosphate-Free.....	Yes
VOC.....	None
