Detergente concentrado para lavada manual de platos

Manufactured for:
Clark Core Services, LLC
2205 Old Philadelphia Pike
Lancaster, PA 17602
1-888-256-6400

GENERAL DESCRIPTION

POT & PAN DETERGENT provides professional-strength cleaning while controlling costs. Use POT & PAN DETERGENT to effectively clean dishes, pots, pans, utensils, flatware, glassware, and foodservice equipment. POT & PAN DETERGENT is premeasured and packaged in a 100% water-soluble film that dissolves completely in water. No need to measure, pour, or cut open packages. Drop one water-soluble packet of POT & PAN DETERGENT in hot water. Allow your dishes to soak, then scrub and rinse clean. It's that simple.

PHYSICAL PROPERTIES

Chemical Composition: The primary ingredients are sodium carbonate, anionic surfactants, sodium chloride, and sodium aluminosilicate.

999QPOTPAN: (1) 90 x 0.5 wt. oz. bag - 3.5 lb. gross

INSTRUCTIONS FOR USE

POTS AND PANS: Use one packet of POT & PAN DETERGENT in up to 5 gallons of hot water. To remove cooked-on food, soak pots, pans, and utensils in a hot water and POT & PAN DETERGENT solution for 10 to 20 minutes. After soaking, scrub clean, rinse in potable water, and sanitize if necessary according to state health regulations.

DISHES, GLASSWARE, AND FLATWARE: Use one packet of POT & PAN DETERGENT in up to 5 gallons of hot water. For best results, wash glasses before more heavily soiled items, and reduce the amount of water in the sink. Change water frequently. After washing, rinse in potable water and sanitize if necessary according to state health recommendations.

FOR EXTRA-HEAVY GREASE: Use two packets of POT & PAN DETERGENT per 5 gallons of hot water and/or reduce the amount of water in the sink. Soak grease filters and very greasy pans and trays prior to scrubbing, then scrub clean.

HANDLING PRECAUTIONS

CAUTION

KEEP OUT OF REACH OF CHILDREN.

DANGER

HAZARD STATEMENTS

- Harmful if swallowed
- May cause respiratory irritation
- Causes serious eye irritation

PRECAUTIONARY STATEMENTS

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.

IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell. Rinse mouth. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs and persists: Get medical attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

STORAGE: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local regulations.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

See the product label and SDS for a complete list of precautionary statements.

NOTE: To estimate sink capacity, multiply the width, length, and height (to normal fill level in inches). Divide the answer by 231 for an estimate of the gallon capacity of the sink.
