- CE Listed

This Avantco HF20 20 cubic foot commercial chest freezer is perfect for storage of bulk food items at your convenience store, ice cream shop, restaurant, or market! Its durable, white powder coated finish is easy to clean and will provide years of dependable service. A basket is included to help keep items organized. Thick wall insulation plus a R134a refrigeration system ensures that this commercial chest freezer will easily maintain operating temperature of -0.4 to 50 degrees Fahrenheit.

A drain plug allows for easy cleaning and manual defrosting, while four easy-to-install casters enhance the freezer's mobility. A lock for each lid is included for security. This 20 cubic foot Avantco chest freezer is CE Listed and requires a 110V electrical connection.
