Variety & Taste that Builds Sweet Success!

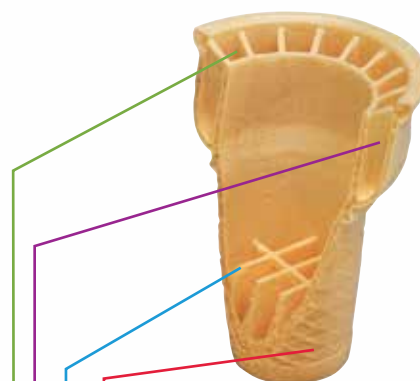

Whatever your menu calls for, *Eat-It-All*® has just the right cone to tempt your customers. Whether cake, torch or sugar, they're the perfect edible foundation to build incredible ice cream, soft serve or frozen yogurt dessert sales.

Cones Available in:

- Bulk, sleeves and dispensers
- **S, M & L**, jacketed and non-jacketed

Quality from the Inside-Out!

- 1 Textured grid pattern allows for easy, no-slip holding.
- 2 Sturdy ribbed cross section reduces breakage and enhances product integrity as ice cream melts.
- 3 Deep drip wells make for no-mess eating.
- 4 Continuous inner ring and ribbed reinforcement walls add strength and reduce breakage.

60% of all soft-serve ice cream is served in a cone.¹
Chances are it was an *Eat-It-All*®!

Delicious, Crowd-Pleasing and Profitable

A wide variety of sizes and formats helps you create signature frozen desserts that can command a premium price. Plus, Colosso® superior quality waffle cones and bowls taste as good as scratch, which can help you save labor and operating costs.

Cones Available in: S, M & L, jacketed and non-jacketed.

Our waffle cones and bowls come packaged in a stay-fresh, sturdy stack pack with foam protectors to reduce breakage.

**Frozen Desserts:
#1 in Foodservice with a 38% Share of Servings!¹**

Cone Dispensers and Displays

Our practical cone dispensers and displays help save labor and boost frozen dessert sales.
