

Electric Citrus Juicer

1G96700

Optimal Rib Designed Reamers...

Unit comes standard with 3 reinforced reamer sizes - a small one for juicing lemons and limes, a medium one for oranges, and a larger one for grapefruit. Each reamer has a stainless steel insert for long-term, heavy-duty use.

Efficiency...

Electric-powered juicer allows restaurants, bars, juice clubs, and smoothie bars to quickly extract maximum juice from each piece of fruit with minimum effort.

Quiet Motor...

With an exceptionally quiet motor, the 1G96700 is a welcome addition to any establishment.

Unique Crescent Footprint...

Unique crescent-shaped footprint has space for any size juice container and takes up minimal counter space.

Low Center Of Gravity...

The 1G96700 has a very low center of gravity, making it stable on a variety of surfaces.

Extra-Tall Open Spout...

Juice spout is a full 21.59 cm from the counter to allow juicing into a variety of containers, from single serving glasses to large pitchers and storage containers. Open spout is easy to clean.

Durability...

Metal housing with acid-resistant finish, extra-large stainless steel container, and durable strainer and reamers are built for heavy-duty performance.

Specifications:
