The RCA Pro:Idiom 14" Personal TV

The **14" personal, MPEG4 Pro:Idiom TV J14HV840**, is RCA's smallest TV in the RCA Healthcare Suite. Designed as a 3-in-1 TV, consumer's have the versatility to mount it on a flex arm for healthcare use, set it on a dresser, or mount it to the wall.

The **JA80 swing arm**, was made to support the J14HV840 TV. An internal braking system ensures the arm stays put. An optional halo provides 360° protection, and allows the TV & arm to be moved without putting stress on the unit. The **JPS24D power supply**, is RCA's UL listed power supply that secures to the wall mount, to provide power over coax. They all work together to create the perfect personal TV.
