## SHOCKWAVE 50PC IMPACT DRILL & DRIVE SET

Our 50 Piece SHOCKWAVE™ Impact Driver Bits are engineered to be the Most Durable, Best Fitting driver bits on the market. The impact drill and drive bits feature MILWAUKEE® Wear Guard Tip™ that delivers increased wear resistance which protects the fit over the life of the bit. The Shockzone™ is optimized for each tip type and length of driver bit to absorb peak torque and prevent breaking. The Milwaukee impact driver bit set features Custom Alloy76™ steel, heat treated per tip type to extend the life of the driver bits, providing up to 50X life vs. competitive impact driver bits. SHOCKWAVE™ driver bits are built to deliver extreme durability for the most demanding applications.
