DETAILS

The Gloss White finish of the Aspect 24" Floor Merchandiser Kit 5 makes it an ideal choice for retail sales environments. This versatile garment display unit is designed for hanging apparel on one side, while the other side features a mannequin platform to showcase a fully dressed mannequin. Utilizing mannequins to display apparel can significantly boost sales and speed up inventory turnover.

The hangrail measures 22-7/8" wide, providing 21-1/4" of hanging space due to the offset brackets. The bar extends 11" deep from the back of the bracket and is made from durable 1" square tubing. The mannequin platform, measuring 23-17/32" W x 25-9/16" L x 2" H, fits snugly between the merchandiser's A-frame and includes a sturdy metal frame with a wood panel insert. To complete your display, we offer a variety of in-stock mannequins, each sold separately.

All metal parts of this merchandiser are finished in a luxurious gloss white powder coating, adding a sophisticated touch to your retail display. The merchandiser frame includes levelers for stability on any surface. The overall dimensions of the merchandiser are 62" high x 24" wide x 24" long, making it a compact yet highly functional display unit for retail sales environments.

Enhance your retail sales environment with the Aspect 24" Floor Merchandiser Kit 5. This effective display solution is perfect for hanging apparel and showcasing mannequins, driving sales, and attracting customers to your store.
