## DETAILS

Our Matte Black Aspect 24" Floor Merchandiser Kit 1 is perfect to display garments and gives you two ways to present your hanging apparel. The merchandiser gives you nearly 24" of horizontal hanging on one side and a forward facing garment presentation using our Gooseneck Faceout on the other.

The hangbar measures 23-3/4" wide X 11" deep and is made from 1" square tubing. The hangbar easily mounts to the Floor Merchandiser using it's saddlemount brackets. The blade-style, Gooseneck Faceout gives you a step down presentation that creates a two-tiered look. The top portion has 7½" of hanging space while the bottom portion measures 4-3/8" of hanging space. This design has a ½" tab integrated on each level to prevent hangers from slipping off.

This kit includes levelers. The Matte Black Aspect Merchandiser has wood inserts on the base. One one side of the insert is black melamine, on the other side is a black woodgrain. Overall dimensions of the merchandiser is 62" high x 24" wide x 24" long.
