

Busch Systems' Toronto Series > **TORONTO - Single - Full - Black**

PRODUCT SPECIFICATIONS

Product ID

101490

GTIN-12 UPC

738272061237

Product Name

TORONTO - Single - Full - Black

Description

Heighten the success rate of your refuse management program with the Toronto. This expanded metal container is the only one of its kind in the series. The vivid mesh-like design creates high visibility of the internal colored liners, maximizing stream recognition. Be the recycling leader in your industry by adding containers to your program that are constructed with sustainability in mind.

Features

Expanded metal design exposes colored liners making stream designation easily identifiable

Available in one, two or three streams

Liner with handles to aid in servicing

Lid is tethered to the container for added security

Choose between the standard, domed or canopy lid

If required, can be secured to the ground
