

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

Isolation Station - Acrylic - #307005

Omnimed acrylic isolation stations are sleek, easy to care dispensers that will withstand years of use and still look new. Our stations are designed to provide convenient, easy access to Personal Protective Equipment (PPE) supplies where space is limited. They are ideal for use in any area where infection control protocols are in use. These stations are simple to load and can be mounted on a variety of surfaces. Each unit accommodates up to three different glove sizes and one mask as well as an area for isolation gowns.

- Clear acrylic
- Easy to clean, load and mount
- Space saving storage for PPE
- Convenient access helps insure infection protocols are adhered to
- Measures 21 1/4"H by 23"W by 4 1/2"D
