

Hospitality Lightweight Nonstick Iron HIR200R

3 Reasons to Buy!

Performance

- Adjustable steam with powerful blast for stubborn creases
- Vertical steam releases wrinkles from hanging clothes
- Fine-mist spray targets wrinkles with push-button control

Durability

- Nonstick soleplate withstands heavy usage
- Self-clean system flushes out lint and minerals

Ease of Use

- Position-sensing automatic shutoff when iron rests motionless on soleplate for 30 seconds
- Extra-long 12 foot swivel cord

Position-Sensing Auto Shutoff: Shuts off in 30 seconds if iron rests on face or side; shuts off in 15 minutes if iron rests on its heel.

Extra-Long Swivel Cord: Offers guests a 12-foot reach for easy ironing.

Durable Nonstick Soleplate: Glides smoothly over all types of fabric and stands up to rigorous daily use for years of excellent performance.

Powerful, Adjustable Steam: Lets guests choose the perfect steam level for every kind of fabric.

Powerful Steam Blast: Just one blast provides enough steam power to eliminate wrinkles on a wide variety of fabrics.

Fine-Mist Spray: Lightly mists garments to release tough wrinkles.

Self-Clean System: This convenient system flushes out lint and minerals and cleans the steam valve to help extend iron life.
