Curved Display Case

"Nothing less than the best."[®]

Hatco's FSCD models will take your serving area to the next level. This two shelf display case is compact yet elegant and attractively presents your foods on plates, casserole dishes, platters, or even hotel pans. Available with or without humidity.

- Hatco's signature convected air technology provides maximum holding times and peak serving temperatures for unwrapped foods
- Perforated 304 brushed annealed stainless steel shelf not only enhances air movement over food products, but looks great as well
 - Hinged, tempered front glass panel tilts forward for easy cleaning
 - Our integrated sign holder is there to help promote your product offerings (sign not included)
