

# GROUND COMMAND™

Ultra High-Speed Burnisher 1.5 HP / 1500 RPM / 21"

## Design and Engineering

- *Burnishing Power* with 1.5 HP, 15 Amp, D/C rectified motor to eliminate brown-outs, low voltage and startup torque problems.
- The 21" apron with non-marring, full wrap bumper protects walls and baseboards.
- Reliable 1500 RPM transmission.
- Balanced chassis design provides precise pad pressure. Includes flexible pad holder with pad centering device to deliver even shine and gloss.
- All metal chassis gives added weight for a faster, longer lasting, brighter shine.
- Designed with safety in mind. Interlock switch leaves both hands conveniently in control. Safety enhanced, non-conductive dual triggers eliminate shock potential.
- Separate non-marring transport wheels prevent tracking in of contaminants.
- Low profile drive 21" apron easily reaches under counter coves and beds.
- Fully adjustable handle positions are comfortable for all operators.
- Includes 50 foot safety power cord. Motor plugs into cable at handle base for easy maintenance.
- UL 7C29 listed for reliable quality.
- 5 year warranty on motor, chassis and transmission.
- Includes (1) blue velvet, octagon burnishing pad.

*Superior  
Balance  
for  
Precise  
Control*

## Specifications

Model No.	CH81055
Machine Size	21"
Motor Type	1.5 HP D/C Rectified
Machine Speed	1500 RPM
Power Cord	50 Foot Safety Yellow 14/3 Ga.
Pad Size	20"
Amp Draw	15 Amps
Chassis	Polished Aluminum
Wheels	6" Non-Marring Operating, 4" Transport
Warranty	5 Years Motor and Transmission
Shipping Weight	101 lbs.
