

GROUND COMMAND™

12-Gallon / 100 psi Carpet Extractor

Design and Engineering Features:

- 12 gallon detergent solution and recovery tanks. Quick and easy fill. Quick and easy dump disposal.
- Roto-molded tanks are strong, durable and look newer, longer.
- Powerful twin vacuum motors offer up to 140" water lift to collect spent solution and soils for fastest carpet drying.

- The Model CH83025 has an in-line heater that lets you extract with 200°F solution!
- High-performance motors stay cool with innovative air flow design.
- Convenient waist-height controls.
- Non-tracking 10" transport wheels for easy stair climbing.
- Order the optional "S" shaped, stainless steel wand with dual spray jets in a 12" vacuum head.
- Order the optional 25 foot long, crush-resistant vacuum and solution hoses. Clean up to 1,800 sq. ft. without moving the extractor.
- Lifetime warranty on tanks and chassis. 2 years on pumps. 1 year on motors and tools.
