

HEAVY-DUTY STAINLESS STEEL UTILITY CARTS

Square tubing, reinforcement and a special U-shaped design classify this cart as the most extreme-duty equipment available for correctional facilities.

- 1500 lbs weight capacity
- Square tube frame and "U" shaped design supplies superior strength for rugged transportation
- Square tubing reinforcement under shelves withstands dropping heavy objects on shelf edges
- 14-gauge shelves provide unyielding support
- Continuous, fully welded joints eliminate pry points
- Stainless steel construction is extremely durable and easy to clean and sanitize
- Heavy-duty, 8" casters with tamper-resistant screws are secure and easy to maneuver

**EVERYTHING
ABOUT THIS CART SAYS...
EXTREME DUTY**

Continuous, fully welded joints eliminate pry points
