

FUNCTIONAL • EFFICIENT • SMART • SAFETY WITHOUT SACRIFICE

- **Compact and Light**  
Reduces clutter and tangles
- **Dual Rotating Carabiners**  
Easy to anchor and attach
- **2 LB Certified to ANSI-121**

**CERTIFIED  
ANSI-121**

Meets workplace guidance  
dropped object prevention.

## WHY USE RETRACTABLES?

Retractor keeps the tether as short as possible preventing snagging on ladders, scaffolding or equipment. Work **SAFE** without the nuisance and hazard of long cord loops.

## Commonly Attached Tools

Hand Tools

(screw drivers, pliers, hammers, wrenches)

Tape Measures

Levels & Squares

Other Hand Tools weighing up to 2 LB

Re-enforced  
Dacron Cord

Shock absorbing  
webbing

Self- Locking Carabiners  
with 360 Rotation

12.5" Length
