## DETAILS

The Stunning Gloss White finished Aspect 48" Floor Merchandiser Kit 3 is the ideal combination display unit for retail stores. Perfect for showcasing both hard goods and hanging apparel, this adaptable unit offers extensive options for displaying your inventory. It includes two 24-inch hang bars and eight metal display shelves, providing ample space to present your products.

The Gloss White finished Aspect floor merchandiser features wooden inserts in the base. One side of the wood has white melamine, and the other side has a warm raw oak woodgrain, allowing you to choose the perfect look for your store layout.

This kit includes the 48-inch floor merchandiser, two 24-inch wide frosted center panels, two 21-inch wide hang rails, and eight metal shelves. The shelves come with welded brackets and measure 21¾ inches wide x 14 inches deep x ¾ inch thick. The overall dimensions of the floor merchandiser are 48 inches W x 24 inches L x 62 inches H. Includes levelers for stability.
