DETAILS

This display is finished in a stylish Gloss White powder coating. The Aspect 48" Floor Merchandiser Kit 2 is a traditional floor display merchandiser that offers the flexibility to showcase both hanging apparel and inventory on shelving. Your hanging inventory benefits from approximately 24 inches of hanging length. The eight metal shelves are perfect for displaying matching accessories or hard goods.

The Gloss White Aspect floor merchandiser features wooden inserts in the base. The wood has white melamine on one side and a warm raw oak woodgrain on the other, allowing you to create a different look when setting up your displays.

This kit includes the 48-inch floor merchandiser, one frosted center panel, and eight metal shelves. The center panel has vertical slots, enabling the shelves to adjust in height. The shelves have welded brackets and measure 21¾ inches wide x 14 inches deep x ¾ inch thick. The overall dimensions of the floor merchandiser are 48 inches W x 24 inches L x 62 inches H. Includes levelers for stability.
