

80 Gallon Air Compressor (CE4104)

CE4104

★★★★☆ No reviews. Write a review.

- Heavy-duty, cast-iron, oil-lubricated, two-cylinder, single-stage pump
- Operates over 20 air tools for automotive spray painting, automotive sanding work, cutting sheet metal, grin
- Fully enclosed metal belt guard for safer operation

The Campbell Hausfeld 80-gallon, 5 hp, vertical air compressor (CE4104) is ideal for a small shop, automotive enthusiast or serious do-it-yourselfer. This air compressor has high air flow of 16 CFM @ 90 PSI to power a wide variety of air tools for grinding, sanding or painting. The durable, 80-gallon, ASME-certified tank is a vertical design for space saving in the shop or garage. The two-cylinder, cast-iron pump is designed for long, reliable life of up to 10,000 hours.
