

PROBLITZ® AIRMOVER

Maximum airflow and low amp draw combine to make the ProBlitz AirMover the first choice for Carpet Cleaners and Restoration Contractors alike. With 3 fan speeds and 3 operating positions, the ProBlitz AirMover tackles every air circulation requirement with ease.

QUIET OPERATION
isolation motor mounts
reduce noise and vibration
during operation

EASY TRANSPORT
*telescoping handle and soft-ride
wheels make transport simple,
safe and convenient

3 FAN SPEEDS
low, medium and high fan
speeds provide options in
any environment

POWER CORD
30' power cord extends access
to hard-to-reach areas

LOW AMP DRAW
allows for multiple units
on a single circuit

FLEXIBILITY
Three operating positions
0°, 45°/60°, 90° to direct air
where you need it.

ULTIMATE PERFORMANCE
Dries carpets and sub-floors
quickly preventing permanent
damage to flooring
