

INFINIUM® ALTO

Give your guests an elevated experience wherever they are with the glasslike shine and vintage glamour of Infinium® Alto premium plastic drinkware.

Radiating geometric lines from rim to base add high style and retro appeal, so you can maintain a superior level of service in nightclubs and outdoor venues without worrying about breakage.

Functional features like stackability and drainage make Alto a top choice for value and efficiency.

Bottom detail

FEATURES & BENEFITS

- Premium plastic drinkware features vintage-inspired designs that add retro appeal, ideal for busy environments such as nightclubs, pools and resorts
- Differentiated design allows for premium beverage presentations in establishments where glass is not preferred or available
- Stackable for the utmost space efficiency and convenient storage
- Features notches on the bottom to optimize water drainage and prevent pooling
- 100% BPA-free Tritan™ copolyester is engineered to maintain glass-like brilliance even after extensive use in demanding environments
- Tough, impact- and shatter-resistant Infinium outperformed all other materials in outside testing, making it a top choice for durability.
- Resists virtually all stains and odors, keeping beverages tasting fresh
- Dishwasher durable: Maintains “like new” appearance even after hundreds of cycles
- Withstands extreme temperatures from boiling to freezing
