

9" White Viscose Pleated Chef Hats

ACR's Viscose Chef Hats offer a stylish and comfortable headwear solution for professional kitchens. Made from lightweight and breathable viscose material, these chef hats provide a perfect combination of comfort and functionality, ensuring chefs stay cool during long shifts. The adjustable design allows for a secure fit, making them suitable for all head sizes. These hats help maintain a clean and professional appearance while adhering to hygiene standards in the kitchen. Ideal for restaurants, catering services, and hospitality settings, Viscose Chef Hats are an essential accessory for any chef looking to balance practicality and style.
