## milk frother cleaning liquid

### Use to

- Alkaline-based formula removes residue from plant-based and dairy milks on steam wands, frothing pitchers, and superautomatic milk systems.

### Features

- The first milk cleaner designed to optimally clean residue from both plant-based milks and dairy milk
- Made from natural ingredients derived from plants and minerals
- Ingredients are biodegradable and do not contain phosphates.
- Includes measuring cap for accurate dosing.
- 1 liter (33.8 oz) bottle.

### Dosage

- For all applications, add 30 ml (1 oz) of cleaning liquid for every liter (33.8 oz) of water.

**made from natural, biodegradable & renewable ingredients - no phosphates**
