

60371

Base Model:

LPDS NAME: 60371, Shed, 8' x 10'

TITLE: Lifetime 8 Ft. x 10 Ft. Outdoor Storage Shed

Marketing Product Description:

Make organization a breeze and declutter your garage with the right storage solution. The Lifetime 8-Foot by 10-Foot Outdoor Storage Shed is a stylish storage space that is strong, secure, and easy to maintain. The Double Wall System (DWS) and steel reinforcement provide incredible strength for long-lasting performance. The UV-protected and weather-resistant build combined with the excellent rain and snow drainage allows this shed to effectively withstand the elements. The steel-reinforced, lockable doors (lock not included) will give you excellent security for your belongings. The height-adjustable shelf gives you more options for storing items throughout the shed and the panel skylights and window offer excellent interior lighting. Free up space in your garage and better organize your tools and equipment with a Lifetime 8-Foot by 10-Foot Outdoor Storage Shed.

Internal Product Description:

Lifetime 8 x 10 Outdoor Storage Shed – Manufactured in Clearfield - This shed is a HDPE resin shed with steel-reinforcement throughout the doors, roof, and walls and an interior floor space of 71.7 square feet. *Minimum High-Velocity Wind Rating in Florida is 15 psf. When paired with the Lifetime Wind Kit, Lifetime Sheds meet a wind rating of 20 psf (~118 mph).

Dade County Certification for Lifetime Sheds: <https://bit.ly/2zwb010>

Lifetime NOA Number: 17-0426.06

Feature and Benefits:

- Lockable Doors

Steel-reinforced doors provide an extra-large opening, sturdy structure, and exterior padlock loop.

- Assembly

Secure-Fastened Assembly with High-Grade Metal Screws

- Door Locking

Exterior Padlock Loop with Two (2) Deadbolts on Interior of Left Door

- Shelving System

Steel-reinforced, height-adjustable, and adds additional storage space.

- High-Pitched Roof

Steep angle allows for quick drainage of rain and snow, and provides a spacious walk-around interior. Heavy-duty steel trusses increase strength.

- Attractive Exterior

UV-protected to help prevent fading and cracking. Stain-resistant exterior never needs painting.

- Screened Vents

Provide airflow and keep pests out.

- High-Density Polyethylene (HDPE) Floor

Oil, stain and slip-resistant floor surface does not crack, chip, or peel.

- Floor Structure

Included High-Density Polyethylene (HDPE) Double Wall System (DWS) floor is impact resistant and textured for slip resistance.

- Steel-Reinforced Walls

Double Wall System (DWS) constructed of High-Density Polyethylene (HDPE) panels with steel wall supports for added strength.

- Skylights 4 panel skylights provide bright interior lighting.
