

The Dome® & Mini Dome® Garnish Center

BD4005S & BD2001's Shown

The all-in-one garnish solution designed by bartenders for bartenders. Tailored to fit on standard mixing rails, The Dome® features a patented domed lid that rotates back for easy access and increased capacity when closed. Integrated snap-on caddies store straws, stirrers and picks. The Mini Dome® offers all the benefits listed, but in a small footprint. New connector provides modularity between Mini Dome® and Dome® (two connectors included with each Mini Dome®).

Dome Closed

Chillable or Deep Trays

Modular: Connect multiple Dome® and Mini Dome® units for maximum flexibility and capacity.

See page 49 for replacement accessories.

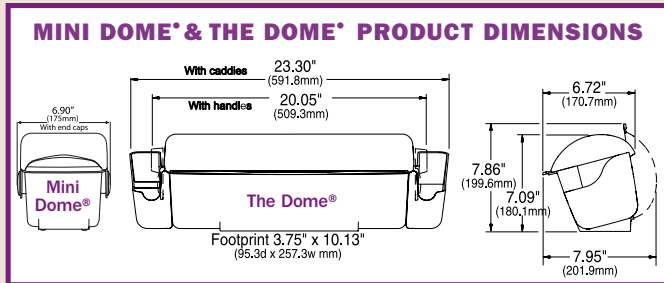

A) The Mini Dome® Garnish Center

The Mini Dome® has a small footprint to assure that it will fit any application and is modular for maximum flexibility. Using the connector, you can add the Mini Dome® to any other Dome® condiment or garnish center.

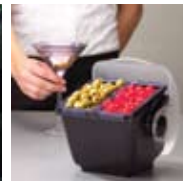

- Each Mini Dome® comes with (2) ends caps and (1) connector.
