

The Dome® & Mini Dome® Condiment Center

The Dome® makes food prep and condiment organization easy. The patented dome lid seals tight to keep food fresh, yet rotates back for easy access. Use standard size trays to keep food chilled or deep trays for extra capacity. Snap-on caddies are available to replace handles for holding sticks, straws or spoons. The Mini Dome® offers all the benefits listed, but in a small footprint. In addition we include one connector with each Mini Dome® allowing you to connect multiple Domes® together.

BD4003 w/ caddies & BD2003 shown

Food Management Products

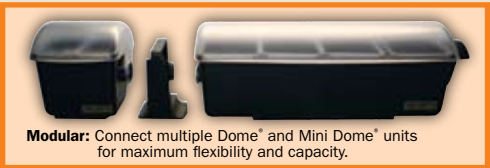

A) The Mini Dome® Condiment Center

The Mini Dome® has a small footprint to assure that it will fit any application and is modular for maximum flexibility. Using the connector, you can add the Mini Dome® to any other Dome® condiment or garnish center.

- Each Mini Dome® comes with (2) ends caps and (1) connector.
